

## ALDO COLOR CHART

ALDO roof coatings are available for acrylic and silicone in the following colors.  
Top row reflects standard colors that do not incur any additional charges.

### Notes:

- Actual sample colors may vary slightly due to computer monitor settings.
- When product is applied, color may also be affected by application technique, surface texture, and lighting conditions.
- Colors in second and third rows are an additional \$3 per gallon with a 50-gallon minimum. (safety yellow does not have minimum quantity requirement)
- Color selections outside of this chart MAY be available for an additional \$8 per gallon with a 200-gallon minimum.
- All color orders are manufactured with the understanding and agreement that the customer agrees to purchase as much as an additional 10% of product that may occur during the batch making process.
